HISTORY MADE: Our Hitchcock Lady Bulldogs are STATE CHAMPIONS!

For the first time in school history, our Lady Bulldogs have reached the pinnacle of Texas high school basketball. These young women played with incredible heart, discipline, and grit, proving that Hitchcock is home to champions.

Now, it's time to make sure that victory is seen by everyone for years to come. We are raising funds to immortalize this historic accomplishment on the City Water Tower!

How to help:
We are currently seeking donations and sponsorships to cover the costs of this tribute. Every bit helps us honor these athletes.

Where to give: Please mail donations or sponsorship inquiries to City Hall.
Let's show these girls how proud we are! Congratulations, Lady Bulldogs!

Please call or email me if you are interested in participating. All sponsors and donors will be recognized in our monthly newsletter and social media.

Your consideration is greatly appreciated!
